

PROFILE

A detail-oriented Front-End Developer with strong expertise in HTML, CSS, Java Script, React Js and Tailwind CSS. Skilled at creating responsive, user-friendly web interfaces with modern UI frameworks. Adept at optimizing performance, ensuring cross-browser compatibility, and implementing clean code practices. Passionate about delivering seamless digital experiences, collaborating with teams, and turning design concepts into engaging, functional applications that elevate usability and customer satisfaction.

Creative Front-End Web Developer specializing in building elegant, responsive websites with HTML, CSS, JavaScript, ReactJS and Tailwind CSS. Experienced in translating design wireframes into polished, interactive interfaces that prioritize accessibility and performance. Excels at problem-solving, debugging, and integrating front-end solutions with back-end systems. Known for a keen eye for design details and the ability to balance aesthetics with functionality for dynamic web applications.

Innovative Front-End Developer proficient in HTML, CSS, JavaScript, Reach JS and Tailwind CSS, with a focus on crafting scalable, responsive, and user-centric applications. Skilled in leveraging Tailwind's utility-first framework for rapid development and streamlined styling. Strong background in building interactive UI components, improving website performance, and ensuring mobile-first design. Committed to continuous learning, collaboration, and delivering impactful digital solutions that enhance user engagement and brand presence.

OBJECTIVE

Motivated Front-End Web Developer and IT Instructor with a strong foundation in computer science, dedicated to creating user-friendly, responsive, and visually appealing web applications. Skilled in modern front-end technologies, problem-solving, and delivering engaging technical instruction. Passionate about bridging technology and education by building innovative solutions and empowering learners to succeed in IT. Seeking opportunities to contribute technical expertise and teaching skills to foster growth and innovation.
